PERSONAL BITE IF LOVE IS THE **GREATEST** – HOW CAN WE BEST GIVE AND RECEIVE IT, PARTICULARLY IN THE **WORKPLACE?**

As a senior pastor, wife, mother, TV host and executive producer, Christie Buckingham is a woman who does not do things by halves. Passion and drive to help people reach their full potential is very much a part of Christie's DNA. Christie came to Australia from Ireland in 1986 and worked alongside Mal Fletcher at Youth Alive Australia. During that time she witnessed their youth conferences grow from a few hundred to well over 10,000. Since 1992, Christie and her husband Rob minister as Senior Pastors of Bayside Church in Cheltenham. Bayside continues to grow as a dynamic relevant church with services now extending to three locations – Cheltenham, Frankston and South Melbourne. Christie has been the Australian and New Zealand director of Revival Ministries International for ten years and is currently a board member of Harvest Bible College. She is also a sought after motivational speaker around Australia and internationally. Her TV talk show, The Christie B Show and website www.christieb.com was launched in February 2007 and aims to connect her viewers with the people and resources that offer real solutions to life issues. Christie and Rob have three daughters.

Join Christie for her fun and fresh approach to considering whether or not LOVE can help in the workplace. If love is the greatest thing, how do we learn to give and receive it? How can we love people the way they need to be loved? Since we respond to being loved more than anything else, how can we love those in our family and workplace in a way that enables them to grow and flourish?
