A LIFE **INTERRUPTED** – LEARNING TO WALK THE SWINGING BRIDGE OF **UNCERTAINTY**

Jennie Bickmore-Brand's career has largely been in tertiary education in South Australian and Western Australian universities, working for the past 6 years in a Masters of Leadership program with Alphacrusis College out of Sydney. Jennie specialises in learning and strategic involvement for innovative futures, be they in school, tertiary, organisational or community scenarios. With a significant history of educational research, including Masters and PhD qualifications, Jennie works with leaders and policy-makers to challenge the status quo and seek new solutions.

In October 2008, with her life in full-flight, Jennie suddenly found herself widowed. So began a wave of stripping away all that was stable and significant ... finances, job, family, friends, church and the city where she lived. Join us to hear Jennie's story of rebuilding and reinvention, and be encouraged if you are also walking the swinging bridge of uncertainty.
